

International Alliance of ALS/MND Associations

Partnership Program

What's Done?

AND Turkey needed to create a satisfactory home care system for ALS/MND patients.

Rachael and Jan from England successfully applied for an Alliance Support Grant to visit Turkey and share their skills and experience

MND Association of Australia needed a short CSA for TV and radio

IsrA.L.S. provided a copy of the Stephen Hawking DVD

MND Association of Iceland needed a hospital room adapted for people with ALS/MND

ALS Hope Foundation shared their experience and the information required

MND Association of Iceland needed a patient database

ALS Hope Foundation provided a copy of the ALS Hope Foundation database
