

IsrA.L.S
The Israel A.L.S Research Association

Building a support system
for
ALS patients in Israel

2008-2010

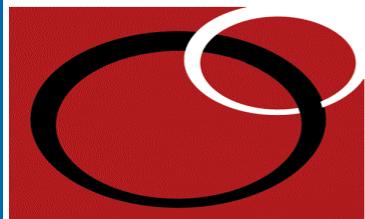

IsrA.L.S

The Israel A.L.S Research Association

In Israel: 600-700 ALS patients

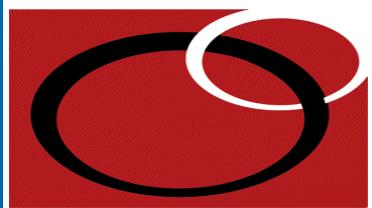

In IsrA.L.S records: 310 ALS
patients.

Solving the demographic puzzle.

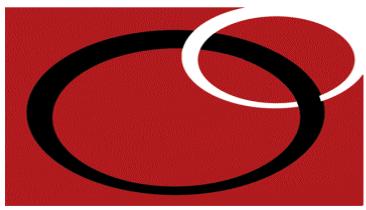

IsrA.L.S
The Israel A.L.S Research Association

Umbrella of services-
Communication, Palliative hot line

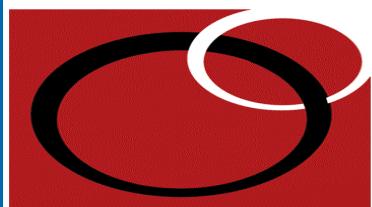

IsrA.L.S
The Israel A.L.S Research Association

A program for newly diagnosed
patients

Isra.L.S
The Israel A.L.S Research Association

Collaboration with different field organizations to the advantage of ALS patients

IsrA.L.S
The Israel A.L.S Research Association

**Educating the field:
