A heart-touching and memorable moment, when audience came to say thank you.
“I got more knowledge about ALS. I want to become a volunteer for TMNDA.”

“I was blown away. I’ll definitely cherish what I have.”

"I have no excuse to give up. No matter what happened, I’ll remember there are people working so hard with a broken life."
“Though I’m physically ill, I still can contribute to our community and society.”

“It took at least five hours each time, and I felt very tired. But, looking at the young faces and gentle hearts, I knew it was worthy to do so.”
Conclusion

- Simple and easy to carry out
- Beneficial to both PALs and the society
- Low investment high returns
